A photograph of the iconic Hollywood sign in Los Angeles, California. The sign is a large, white, capital-lettered word "HOLLYWOOD" mounted on a hillside. In the background, a tall, multi-tiered television and radio antenna tower stands prominently against a clear blue sky. The foreground shows the steep, green-covered hillside leading up to the sign.

PERSONAL NOTES

- Have a long term goal that pursuing will make you happy.
- Do whatever it takes to achieve it.
- Your plans must be flexible.
- Don't be afraid to fail trying.
- Don't try to do it on your own. There are good people out there who can help, and who you can help in return.
- Life regrets will eat at you. Minimise those regrets.
